

Miss Carbon County & Miss Teen Carbon County Scholarship Pageants

Show Me Your Shoes!

At the Miss Carbon County & Miss Teen Carbon County Pageants the “Show me your Shoes” display is connected with the people’s choice award during the Pageant. These shoes are not just everyday footwear.

- Each contestant will bring a pair of shoes that represents them and/or their interests.
- Be creative, add a splash of color or some bedazzles. Bring shoes that mean something to you. Encouraged to not spend over \$10.00.
- The shoes will be displayed during the competition in the lobby and the audience will vote for their favorite. Each vote is \$1.00. The donations will go towards royalty service projects.

This allows the audience to know a little bit more about each girl as they wait for the excitement to start and to support a good cause. The winner of the most votes will receive a special award sponsored by Dr. Justesen.

Cut off and hand in the information below with all other paperwork. Bring your shoes pageant day and take them home after the pageant with your display picture.
